

Special Notice

Dear Members,

In conformance with yesterday's orders by Alameda County to Shelter in Place (SiP), Oakland Yacht Club will close effective March 17th and remain closed until the SiP order is lifted, currently anticipated to be April 7th.

This means the Clubhouse will be closed, with no food or bar service. However, bathrooms and Regatta Room will remain available to Live Aboard members, keeping in mind social distancing. Maintenance will continue, with the bathrooms, Regatta Room and Office sanitized often.

The Office and Harbor will be partially staffed during this time to ensure that operations continue on an as-needed basis.

As more information becomes available, we will update you accordingly.

Please stay safe and healthy.

Brad Budinger
